COACHES' CODE OF ETHICS

Each high school coach is first a TEACHER. The student-athlete is participating within the school's activity program because he or she desires to do so. Consequently, that student is often more attentive to a coach's lessons than to those offered by teachers in required courses.

The function of a interscholastic coach is to educate students in "LIFE LESSONS," through their participation in educational athletics. Every student athlete should be treated as though they were the coach's own children. Their welfare must be uppermost at all times. The following abridged guidelines for coaches have been adopted by the NFICA Board of Directors.

- 1. The coach must be aware that he or she has a tremendous influence, either for good or bad, in the education of the student athlete and, thus, shall never place the value of winning above the value of instilling the highest desirable ideals of character.
- 2. In all personal contact with student athletes, officials, athletic directors, school administrators, the state high school athletic association, the media, and the public, the coach shall strive to set an example of the highest ethical and moral conduct.
- 3. The coach shall take an active role in the prevention of drug, alcohol, and tobacco abuse, and under no circumstances should authorize their use.
- 4. The coach shall promote the entire interscholastic program of the school and direct his or her program in harmony with the total school program.
- 5. The coach shall be thoroughly acquainted with the contest rules and is responsible for their interpretation to team members. The spirit and letter of rules should be regarded as mutual agreements. The coach shall not try to seek an advantage by circumvention of the spirit or letter of the rules.
- 6. Coaches shall actively use their influence to enhance sportsmanship in the broadest possible manner.
- 7. Contest officials shall have the respect and support of the coach. The coach shall not indulge in conduct, which will incite players or spectators against the officials. Public criticism of officials or players is unethical.
- 8. A coach shall not exert pressure on faculty members to give student athletes special consideration.
